

PREPROPOSAL STATEMENT OF INQUIRY

(RCW 34.05.310)

CR-101 (7/22/01)

Do **NOT** use for expedited rule making

Agency: Department of Licensing/Geologist Licensing Board

Subject of possible rule making: Revision to WAC 308-15-050 – Geologist Examination application process

(a) Statutes authorizing the agency to adopt rules on this subject: RCW 43.24.086, 18.220.040

(b) Reasons why rules on this subject may be needed and what they might accomplish: Changes to the application process rules are necessary to accommodate examination applicants applying directly to the National Association of State Boards of Geology (ASBOG) for those exams administered by the Association, rather than passing those monies through the department and Board for processing, creating a more efficient and cost effective process.

(c) Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:
None

(d) Process for developing new rule (check all that apply):

- ☐ Negotiated rule making
- ☐ Pilot rule making
- ☒ Agency study
- ☐ Other (describe)

(e) How interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication:

(List names, addresses, telephone, fax numbers of persons to contact; describe meetings, other exchanges of information, etc.)
